Warranty, Maintenance and Care YOUR COPY TO KEEP

Felton Industries Limited guarantees these mixers to be free from defects in materials and workmanship for a period of ten (10) years from the date of purchase. Fair wear and tear is expressly excluded. This warranty is effective for 10 years from the date of purchase for the supply of replacement parts (only) and five (5) years from the date of purchase for plumber's labour relating solely to repairing or replacing the mixer, provided the product is installed by a registered plumber. You must retain proof of purchase of the Mixer (such as an invoice or receipt) and proof of installation by a registered plumber and provide these to Felton on request. Where products are promoted as "5 Year Limited Warranty on Product Finish", Felton Industries Limited guarantees these product finishes to be free from defects in materials and workmanship under normal installation, use and service for a period of five (5) years from the date of purchase. Fair wear and tear is expressly excluded. This warranty is effective for five (5) years from the date of purchase and covers the product finish only. You must retain proof of purchase of the product (such as an invoice or receipt) and provide this to Felton on request. This warranty is for manufacturing defects only and does not cover any damage to product due to abuse, negligence or improper installation. This warranty is given on the understanding that the product is installed and operated according to Felton's installation guide and the Australian/New Zealand standard AS/NZS3500. This warranty is provided to persons who are a "consumer" under the Consumer Guarantees Act 1993 only and for use in domestic/residential dwellings only (not for commercial use).

At no stage should plated surfaces be cleaned with cleaning agents that contain a corrosive acid or a scouring additive. Plated surfaces should be cleaned with liquid detergent or soap and water. Any damage caused through the use of an unsuitable cleaner will not be covered by warranty. This warranty is subject to any other rights or remedies that you may have under the Consumer Guarantees Act 1993 (or any other applicable legislation) and to Felton's Terms of Trade.

HOW TO INSTALL

If spout is being installed on a vitreous china bench top, apply silicone sealant to the base ring to ensure a water-tight seal on the uneven surface.

- A. Cut a $\varnothing 25\text{mm}$ mounting hole for the spout unit - approximately 45mm from the edge of the basin or wall.

B. Fitting the Spout Unit ($\varnothing 25\text{mm}$ hole):

1. Ensure the o-ring is fitted to the base of the spout.
2. Remove the lock nut and rubber washer and lower into the spout hole ($\varnothing 25\text{mm}$ hole), ensuring flange o-ring is in place.
3. From UNDERNEATH the bench, secure with the rubber washer, metal washer and lock nut.

ONLY APPLICABLE IF YOU'VE PURCHASED A TATE DIGITAL SHOWER MIXER:

Connect spout to digital mixer box using the F-F hose or your own supplied.

CONVERTING THE SPOUT FROM STANDARD TO TALL (OPTIONAL)

1. Loosen the cover sleeve by unwinding from the base.

- 2A. Using the 2mm Allen Key supplied, undo the grub screw.
2B. Remove the spout from the base, ensuring that the plastic washer stays in place.

- 3A. Take the Extension Tube and fit into the base, ensuring the grub screw aligns with the hole and push on firmly.
3B. Tighten the grub screw.

- 4A. Loosen the grub screw on the Extension Tube and connect the spout, ensuring the grub screw aligns with the hole and push on firmly. Tighten the grub screw.
4B. Secure the cover sleeve to the Extension Tube by winding it down.

Lifetime Warranty Extension Care YOUR COPY TO KEEP

Thank you for purchasing a Felton Product for your home. Felton stand behind our products and wish to provide you with the warranty set out overleaf. In order to obtain a Lifetime Extension Warranty to the standard warranty, please read and follow the terms and conditions of your warranty (on reverse). This warranty is subject to, and in addition to, your rights at law (including under the Consumer Guarantees Act 1993). **IMPORTANT:** Please keep this warranty and complete the details below for your own records. Lifetime Extension Warranty - Domestic/Residential

This warranty is given on the understanding that the product is installed and operated according to the installation guide provided and the Australian/New Zealand standard AS/NZS3500, by a registered plumber.

Subject to any other rights or remedies that you may have under the Consumer Guarantees Act 1993 (or any other applicable legislation), Felton Industries Limited agrees to either repair or replace (at Felton's sole discretion) the Mixer (as defined below) if it is discovered that the Mixer contains a material defect which arose in the course of its manufacture, on and subject to the Terms and Conditions set out below.

What Lifetime Extension Warranty does cover:

- 1) This warranty extension applies in respect of Felton sink, basin and shower mixing valves ("Mixer") which are used in residential/domestic installations only.
- 2) This warranty is for the lifetime of the first registered owner of the residential dwelling in which the Mixer is installed and who completes this warranty card and is not transferable to any subsequent owner of the dwelling (subject to paragraph 5 under 'What Lifetime Extension Warranty does not cover).
- 3) This warranty extension covers the repair or replacement only of Mixer parts for a lifetime period provided that you register the purchase and installation of the Mixer with Felton by returning this warranty card to us within 6 months from the date of purchase.
- 4) This warranty extension covers labour relating solely to repairing or replacing the Mixer for a period of 5 years from the date of purchase, provided the product is installed by a registered plumber in accordance with Felton's installation instructions and the Australian/New Zealand standard AS/NZS3500 and you return this warranty card to us within 6 months from the date of purchase.

Please fill in the details below, attach your receipt to this installation guide and keep as your proof of purchase.

What Lifetime Extension Warranty does not cover:

- 1) This warranty extension does not apply to shower hoses, Designer wall sets, and shower heads nor does it apply to the Feltonmix range of products.
- 2) This warranty will be null and void unless the Mixer is installed by a registered plumber in accordance with Felton's installation instructions. A registered plumber is a person registered as a registered plumber with the NZ Plumber Gasfitters and Drainlayers Board
- 3) This warranty is for manufacturing defects only and the Mixer must not have been damaged by misuse, accident or neglect. Fair wear and tear is expressly excluded.
- 4) This warranty is provided to persons who are a "consumer" under the Consumer Guarantees Act 1993 and for use in domestic/ residential dwellings in New Zealand only, not for commercial use. It is not transferable and shall apply to the first registered owner of the Mixer only.
- 5) Notwithstanding point 4. above, where the Mixer has been purchased and installed in a residential dwelling by a party that has constructed that dwelling with the intention of sale, this warranty will apply to the first occupier of that home (but shall not apply to any subsequent occupiers of that home).
- 6) Where Felton elects, in its sole discretion, to provide you with a replacement Mixer the cost of freight will be met by you.
- 7) In order for the Lifetime Extension Warranty to apply, you must complete the registration form and return this warranty card to Felton within 6 months from the date of purchase of the Mixer.
- 8) All repair work covered by this warranty must be performed by an authorised Felton Service Partner, Felton staff member or, provided that approval is first obtained from Felton and an authorisation number is provided to you by Felton, a certified plumber. The Mixer must not have been tampered with or repaired in any other way other than in accordance with these Terms and Conditions.
- 9) Product purchased before 1st of April 2014 is not covered by this warranty.
